 Library participation in teaching of pharmacol-
 ogy (Walker & Dragstedt), 202 (Jy.).
 Literature, medical, experiment in reading
 (Hurd), 167 (May).

M

- Massachusetts Medicolegal Society conference
 and seminar, 316 (Sept.).
 Mead Johnson B complex award, 374 (Nov.).
 Medicine, industrial, 49 (Jan.).
 physical, 126 (Mar.).
 physical, Baruch committee, 250 (Jy.).
 study of, requirements vs. preparation
 (Swett), 206 (Jy.).
 tropical, fellowships, 182 (May).
 tropical, fellowships (Meleney, Soule, Kost-
 mayer), 129 (May).
 Medicolegal conference and seminar of Massa-
 chusetts Medicolegal Society, 316 (Sept.).

N

- National Foundation for Infantile Paralysis, 315
 (Sept.).
 National Research Council, Information Center,
 126 (Mar.).
 Navy Medical Corps personnel on Tarawa, work
 of, 61 (Jan.).
 Navy V 12 program, medical and premedical
 phases of (Hogan), 24 (Jan.).
 Netherlands, medical expedition to liberated, 317
 (Sept.).
 New York Academy of Medicine, Bureau of
 Medical Education, 315 (Sept.).
 News: Association, Detroit meeting, 359 (Nov.).
 book, 62 (Jan.); 127 (Mar.); 190 (May);
 253 (Jy.); 319 (Sept.); 377 (Nov.).

- college, 52 (Jan.); 119 (Mar.); 184 (May);
 244 (Jy.); 309 (Sept.); 361 (Nov.).
 general, 60 (Jan.); 124 (Mar.); 188 (May);
 250 (Jy.); 315 (Sept.); 373 (Nov.).
 Nutrition, Borden award, 375 (Nov.).

O

- Ochsner Foundation offers fellowships, 316
 (Sept.).
 Opening dates of 1945 sessions of medical
 schools, 305 (Sept.).

P

- Passano foundation, 118 (Mar.); 125 (Mar.).
 Pediatrics outpatient department and liaison psy-
 chiatry (Jensen & Adams), 298 (Sept.).
 Pharmacology, library participation in teaching
 of (Walker & Dragstedt), 202 (Jy.).
 Physical therapy, School of, 126 (Mar.).
 Physicians, distribution of, role of New York
 State medical schools in (Lassek), 352
 (Nov.).
 distribution of, role of southeastern medical
 schools in (Lassek), 217 (Jy.).

 318 (Sept.).
 Program, accelerated, effects of on curriculum,
 faculty and students (Johnson), 70 (Mar.).
 accelerated, in medicine (MacEwen), 139
 (May).
 Project method, employment of as a laboratory
 teaching technique in the accelerated pro-
 gram (Booker), 350 (Nov.).
 Psychiatry, liaison, and the pediatric outpatient
 department (Jensen & Adams), 298 (Sept.).
 resident, needed in St. Elizabeth Hospital,
 Washington, D. C., 374 (Nov.).
 Public Health aspects of syphilis control, teach-
 ing (Packer), 224 (Jy.).
 minimum educational facilities necessary for
 postgraduate education for those seeking
 courses in, 50 (Jan.).

R

- Repeaters, 242 (Jy.).
 Replacement Training Center, medical, at Camp
 Barkeley, Texas, 124 (Mar.).
 Report on training in medicine and premedicine
 under the Army Specialized Training Pro-
 gram (Fitts), 11 (Jan.).
 on tropical medicine Fellowships in Central
 America (Russell; Wilson; Woolner; John-
 stone; Hammon), 257 (Sept.).

Requirements vs. preparation for the study of medicine (Swett), 206 (Jy.).
Research, medical, Squibb Institute, 318 (Sept.).
Residencies and internships, 183 (May).
Rockefeller Foundation, changes in, 318 (Sept.).
Rorschach test (Harrower-Erickson), 193 (Jy.).

S

Sanitation, environmental, practical course for medical students (Stead & Nau), 173 (May).
Seaman, Louis Livingston, fund, 376 (Nov.).
Soldier medical students, 308 (Sept.).
Squibb Institute for Medical Research, 318 (Sept.).
Syphilis control, teaching public health aspects of (Packer), 224 (Jy.).
Surgery, elective course, for senior medical students (Price), 231 (Jy.).

T

Teaching environmental sanitation (Stead & Nau), 173 (May).
history writing, use of large clinic in (Hines), 229 (Jy.).
medical, declining standards of (Wearn), 77 (Mar.).
pharmacology, library participation in (Walker & Dragstedt), 202 (Jy.).
physiology in correlation with war problems (Wiggers), 151 (May).
public health aspects in syphilis control (Packer), 224 (Jy.).

Test, Rorschach (Harrower-Erickson), 193 (Jy.).
Texas Medical Center, proposed, at Houston, 60 (Jan.).
Textbook situation, reflections on (Postell), 115 (Mar.).
Therapy, physical, school of, 126 (Mar.).
Tropical medicine fellowships in Central America, report on (Russell; Wilson; Woolner; Johnstone; Hammon), 237 (Sept.).
Two year medical schools, 181 (May).

U

University of Connecticut Medical School, 232 (Jy.).
University of Washington proposed medical school, 318 (Sept.).

V

V-12, 242 (Jy.).
Virginia examining board in basic sciences, 375 (Nov.).

W

Wayne University Medical Science Center (Norris), 272 (Sept.).
Winthrop Chemical Company, 251 (Jy.).
Woods, Archie S., obituary, 240, 241 (Jy.).

Z

Zeiler Memorial Fund, 126 (Mar.).
